REQUEST FOR CORRECTION OF PATENT TERM ADJUSTMENT

Dear Sir:

This paper is submitted in response to the Notice of Allowance and Determination of Patent Term Adjustment mailed December 14, 2004.

The patent term adjustment was determined to be 571 days. (Enclosed herewith is a copy of the patent term adjustment as calculated by the Patent Office). However, additional time should be deducted from this calculation. The adjustment should be calculated as follows: 630 days due to delay in receiving first office action; less 59 days due to a two-month extension of time; less 28 days due to a one-month extension of time resulting in 543 days of extension.

The 28 days for the one-month extension of time has not been deducted. A final rejection was mailed 5.06.04 and a response to the final rejection was not mailed until 9.03.04. The response included a one-month extension of time. Thus, the time between 8.06.04 to 9.03.04 (e.g., 28 days) should be deducted from the calculation.

Respectfully submitted,
McDonnell Boenken Hulbert & Berghoff LLP

Date: 2/10/05
